CUSTOMISATION & ADVICE FOR YOU

- Have a bag designed specifically for your needs.
- Replace an existing bag and improve it.
- Change leather for a model that you like.
- Reproduce a bag that you can not find anymore.
- Have an original bag, customised with a shape or style.
- You have an idea but do not know how to make a pattern and implement it.
- Are you a stylist or designer, you want to make a prototype? We can do it for you.

If interested, come see us in our workshop

We have several basic models to offer you.

But if you want a particular model, we will custom make one for you .

PROTOTYPE

Are you a stylist or a designer, you want to design a prototype?

Atelier 178 can do it for you.

The required steps are as follows:

- Make a briefing together to clearly define the intended use
- Have a sketch or a photo, a confirmation drawing in "AI" format (vectorized graphic) with all the technical details (type and thickness of leather, type of reinforcement, lining, interior layout, metal accessories ...)
- Choose materials, accessories, finishing details
- Estimate a quote
- Do a test of 'proportionality', paper or felt
- Make the final product, as a proof of concept
- Provide, if appropriate, the possible (future) stages of manufacturing

The approximate delivery time is 6 to 8 weeks.

B2B - BUSINESS TO BUSINESS

You are a company that wants to develop a unique leather bag, in small series?

Do you have a project, a launch, a promotion, an anniversary that justifies the creation of a special leather article?

Do you have an activity whose image or use justifies a leather bag?

You want a desk pad, an apron, a just a leather pouch?
